

Harris Corporation Honors Outstanding Small Business Suppliers

MELBOURNE, FL, May 20, 2009 — Harris Corporation (NYSE:HRS) recognized outstanding small business suppliers during an annual awards ceremony held at the company's Palm Bay, Florida, facility on May 15, 2009. Awards were presented to suppliers supporting Harris operations throughout the U.S. Four of this year's nine Small Business Award winners are based in Brevard County, and included Amertron, Telecommunication Support Services, Triple Play Communications, and B&D Machine and Tool.

A number of factors were used in selecting the Small Business Award winners, including quality, performance, the particular business areas supported, and input from the Harris supply chain and program management community. This year's recipients were:

- Above and Beyond Small Business Supplier of the Year — Dominion Federal Corporation, Vienna, Virginia
- Supplier Excellence Small Business Supplier of the Year — Triple Play Communications, Melbourne, Florida
- Outstanding Service Small Business Supplier of the Year — Telecommunication Support Services, Melbourne, Florida
- Small Business Supplier of the Year — CS Business Systems, Buffalo, New York
- Small Disadvantaged Business Supplier of the Year — Amertron, Melbourne, Florida
- Women-Owned Small Business Supplier of the Year — Alexander Machine & Tool, Woburn, Massachusetts
- Service-Disabled Veteran-Owned Small Business Supplier of the Year — USfalcon, Morrisville, North Carolina
- Best Quality/On-Time Delivery Rating — B&D Machine and Tool, Palm Bay, Florida
- EXPO Supply Chain Portal Supplier Implementation Award — Amertron, Melbourne, Florida

"Innovation in our business and partnering strategy is a key differentiator as we enter new markets, along with innovative technology and processes. Small businesses play a significant role in our commitment to provide customers with the highest levels of quality, performance, service, on-time delivery, and cost-effectiveness," said Don Weiss, director of Supply Chain for Harris Government Communications Systems. "All of our award winners have demonstrated their commitment to helping us meet or exceed the expectations of our customers through outstanding support of the Harris programs they support."

The awards program, which showcased the theme of "Excellence and Innovation," included a breakfast preceding the awards ceremony; a keynote presentation by Dan Pearson, group president of Harris Government Communications Systems; a luncheon featuring an address by Wes Covell, president of Harris Defense Programs; and a tour of the Harris Customer Briefing Center.
